Physics

① **Physical Violations** — Violations of physical laws, e.g., floating objects or unnatural trajectories.

② **App/Disappearance** — Objects, people, or backgrounds appear or disappear unnaturally between frames.

③ **Motion Artifacts** — Unnatural motion such as objects passing through each other or jittery movement.

E.g. “The white sheet of paper appears out of thin air”

Semantics

④ **Prompt Adherence** — Failure to follow key elements or intent of the text prompt.

⑤ **Logical Errors** — Actions that cannot logically co-exist, or illogical story progression.

E.g. “Prompt says she is reading an article, but she is scrolling too fast to be reading it.”

Anatomical

⑥ **Body Pose & Anatomy** — Impossible body shapes or joint movements; unrealistic morphing.
